## *Outgoing President's Comments*

As I write this, my last President's Message for **ArtBeat**, I have to say these past 2 years have been an incredible journey. The league has done some incredible things and I have met incredible people. You all have become my incredible "southern family"! And it is because of you that so much was accomplished. I want you to know I appreciated every bit of help. Now however, a wonderful new team of officers and committee chairs has been put in place, and I know that the league is in great hands! Please remember to thank them. And also, thank and welcome our newest members as well: **John Cork, Marie Gosnell, Angela Nicole Hughes, Sara Justice, Walt Lardner (former member who rejoined), Mike Loy, Sandra Stewart (patron level), James Swizk, John Tatum and Ann Hightower White.** We're glad to have you on board! Now, I have some painting (oh yes, and cleaning...) to do!!! Take it away, **Ann!**

My best to all, Karen

## *Incoming President's Comments*

Just want to say "thank you" for your vote of approval on my election of President of the League next year. I also want to thank each of you who have accepted a position on the board and a committee chair. I am excited and looking forward to a great year with lot's of activities to enhance our skill with whatever our choice of medium might be.

Your board is put in place to manage and create activities and educational

programs for the benefit of all its members. However, it is you our members that we want to hear from. Please bring to the table any ideas that you might have that you feel will be beneficial to the League as we strive to make the meeting interesting, fun and educational. Spend some time this summer thinking about ideas that will assist us in actualizing our mission statement. I will be counting on you to be an active member.

### "Our Mission Statement"

The general purpose of the League is to encourage and stimulate the practice and appreciation of the creative arts for its members. The term "creative arts" is understood to include, but is not limited to, sculpture, painting, drawing, film, photography, architecture and crafts. The League shall strive to stimulate interest in the creative arts by promoting and developing programs and projects that are of educational value and by presenting quality art fairs and sales. The League shall work cooperatively with all art and civic groups to build audiences and participants in the arts.

Have a wonderful and safe summer. Keep the brushes wet and the pencils sharpened!

Ann Peake
