

## The Arts Trail Through Chapin Community Art Project

In our mission to highlight the arts in the community, the Crooked Creek Art League, in partnership with the Town of Chapin, is bringing an artistic way to mark your way through our great community: a series of trail markers which have been uniquely created by local artists. The trail markers will be displayed throughout town at sponsored host sites for a five-day scavenger hunt, and then featured in the Chapin Labor Day Festival on Monday, September 6, 2021. A lot of activities for the project will be happening at CCAL's booth on Clark Street, in the heart of the festival in downtown Chapin. Here's how you can participate:

- **Complete the Hunt** between Sept 1– 5.
- **Drop this completed form** at CCAL's booth to be entered in a drawing for great prizes donated by local sponsors. Two hunt puzzles are offered. You can complete either or both.
- **Vote for the People's Choice** trail marker. Ballots will be available at CCAL's booth. Voting concludes at 2:30pm.
- **Download the app, and bid at [Accelevents.com/e/TheArtsTrailThroughChapin](https://www.accelevents.com/e/TheArtsTrailThroughChapin).** The trail markers will be auctioned off via this app on Monday, Sept 6. You can bid from your phone and keep up with competing bids as you enjoy your day. Bidders do not have to be present to bid or to win. Bidding ends at 2pm on Monday. Winners should plan to pick up their trail markers at the booth by 3pm.
- **Not tech savvy? No problem. Come by the CCAL booth and we'll help you submit your bids.**

Crooked Creek Art League

CCAL

In 1995, a small group joined together in Chapin to encourage and stimulate the practice and appreciation of creative arts, to educate and encourage each other's work, and assist with the growth of visual arts in the community. This small group became known as the Crooked Creek Art League (CCAL). Today, Crooked Creek Art League consists of approximately 120 members. The League includes professional and amateur artists and artisans in all mediums.

Meeting every third Monday of the month (September through May) at Crooked Creek Park, members welcome presenters offering exploration in various medium to encourage creativity. CCAL also offers workshops designed for all levels of expertise, the opportunity for members to submit original art pieces to annual shows and display artwork at partnered public galleries throughout the Midlands.

Whether novice or professional; a lover of the arts or merely "art curious," all are welcome at the CCAL. Stop in and visit a meeting or join us!

*Welcome to*  
**The Art Trails Through Chapin Scavenger Hunt**

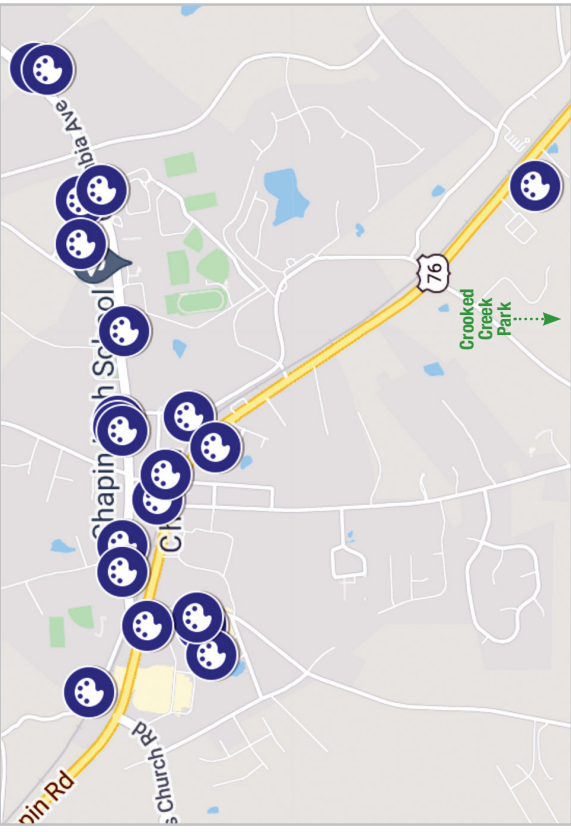

The game is simple. At each Trail Marker you will find a small sign. On the front of the sign is information about the artist and the artwork at that location. On the back of the sign, you will find some puzzle pieces. Each trail marker will have a different combination of pieces to find. There are two puzzles to solve. You can solve either puzzle or both!

You will receive *one* entry in the drawing for prizes for *each* puzzle you complete.

To complete the puzzles, find the puzzle pieces you need and piece them together. Each piece will have a unique combination of letters and black spaces and will appear on at least two signs. Once you have put them together correctly in the solution box provided, they will spell out a message that will look something like this:

- Bring your solved puzzles to the CCAL booth at the Chapin Labor Day Festival by 2pm.
- Drawing for prizes will done at 2:30pm.
- Winners will be notified by text.
- Come back by the booth before 3pm to pick up your prize!

**THANK YOU TO OUR HOST SPONSORS!**
