

# Crooked Creek Art League

May 13<sup>th</sup>, 2023

Dear Crooked Creek Art League Members;

Our last meeting of this year will be Monday, May 15<sup>th</sup>, 2023 at 6:00 at Crooked Creek Park in Chapin, SC. The program is our Annual Member's Show, Light It Up, is our theme.

Refreshments will be served from 5:15 p.m. to 6:00. If you are bringing food, please have it there ready to serve by 5:15 p.m. The other request is that you have your entry on display by 5:30 p.m. if at all possible. We would like to have everyone ready to present.

Bobbi Sorensen and Diana Johnson did an amazing job on Still Hopes and our two Friends of the Irmo Library exhibitions. If you have not been to see the last one, it is still up and will remain until May 27<sup>th</sup>, 2023. Pick up time is 12:30 to 2:00. This required lots of work on their parts. You are valuable members of our League. Thank you both for all the thankless hours spent preparing and setting up these shows and exhibitions. Can't say thank you enough.

This has been a great year in many ways for our League. We have one new community Art Project installed and another one will be complete by Labor Day. We have two successful shows and 2 successful exhibitions. Our League has been able to meet in person again and yet, we are still able to provide ZOOM for those that could not make it. Our membership is currently over 140 members. We reinstated Mentor Masters Leaders to help our new members navigate our web, shows and other opportunities.

Monday night will be the installations of our new leadership with many older leaders remaining in different positions. Please support our new leaders as you have supported our current leadership. They will be fabulous. I will write my farewell letter after we meet on Monday.

Respectfully,

Kay Fox, President
