Eligibility and Entry Procedures

Eligibility:

- Participation is open to Crooked Creek Art League (CCAL) Members in Good Standing (MIGS). A MIGS is one who has paid their dues by December 31 and attended three (3) meetings within the year prior to the show, namely April, May, September, October, November, December, January and February. Artists must meet this requirement in order to enter the show.
- Artwork must be original and completed within the last 3 years.
- Artwork may not have shown in a previous CCAL juried show. This does not include any CCAL Gallery Exhibits, the May contest or the Irmo Library Exhibitions.
- Artwork created in a workshop setting or with the help of an instructor may not be entered into the exhibit.
- By entering, exhibitors agree to the terms of this prospectus and the CCAL Exhibit Contract.

Categories: (Amateur and Master Divisions for each category)

2D/3D Artwork

- Painting (oil, watercolor, gouache, acrylic, encaustic, tempera and pastel)
- Drawing (ink, graphite, charcoal, and colored pencil), mixed media, and prints (lino, wood, etching, mono & litho)
- Free standing and wall hanging artwork incorporating wood, clay, ceramic, fiber, glass, metal, natural and found materials

Photography – Black & white, color, hand-tinted, digitally altered photographs and computer generated/digitally altered prints

Entry Fees:

Artists may enter two pieces in any division for their entry fee.

- The initial entry fee for Amateurs is \$30.
- The initial entry fee for Masters is \$35.
- Artists may enter a third piece for an additional \$10.

Registration Guidelines:

- Registration for the exhibition is online only at crookedcreekart.org/juried-show. Assistance will be provided to members needing help with the online registration process. Submitted artwork photos should have squared corners (not show the artwork at a skewed or tilted angle) and show only the entire artwork (no frames or extraneous backgrounds).
- Images should be named as follows: Artwork Title.ARTISTNAME.jpeg
- Although pieces may be entered as Not For Sale (NFS), for insurance purposes a dollar value must be provided in the Sale Price field for all works entered.
- Artwork Labeling: Pre-printed back of artwork labels will be provided at check-in.

Class/Division: Within each Category, the decision to declare Amateur vs. Master must be made. This is a personal and ethical decision and care should be taken, as once declared Master, you will not be allowed to enter as an Amateur in that same category in subsequent shows. Artists may enter as an Amateur in their non-primary category provided they have not previously entered as a Master in that category.

- A Master artist is defined as anyone who has earned \$1,000 or more during a calendar year either by selling their work, teaching, extensive exhibiting, or involving themselves in other professionally related activities in a capacity that would give the entrant unfair advantage over an amateur.
- Amateur artists will automatically earn Master status if awarded a 1st-3rd place award in the Amateur division of the Annual Juried Show three or more times in any five year period.
- Any artist that wins Best in Show from any Amateur division is automatically awarded Master status.

Size and Condition:

- All wall hanging works must be completely dry, framed and ready to hang.
- All wall hanging works must have wires – no saw tooth hangers – and must hang flush.
- Minimum size limitation for wall hanging works - 12 inches, H and W, including frame.
- Maximum size limitation for wall hanging works - 48 inches, H and W, including frame, 5 inches D, 25 pounds.
- Free standing 3D artwork must measure no more than 36 inches in any direction and weigh no more than 30 pounds. Artist provides easel or podium required for display.
- Pieces must not require any assembly by display volunteers. Any sharp or hazardous objects must be under glass or Plexiglas. All pieces should be able to be safely lifted, carried and displayed by one person.

Any work that is determined, during the art delivery process, to not conform to these size guidelines will be rejected.

Sales:

- Artwork purchase price may be displayed on wall tags and will be listed on a handout available at the CCP front desk.
- CCAL is entitled to a 10% commission from any sales resulting from the exhibition.
- Any artwork sold must remain hanging until the scheduled pickup date.

Liability/Art Pickup: The show will come down on the designated date and all artwork MUST be picked up and signed out at the proper time unless other arrangements have been made with a juried show Chairperson. Early removal of artwork for the purpose of entering it in another competing show with overlapping dates shall NOT be considered a valid reason to approve early removal. Failure to comply with pickup provisions will disqualify a member from participation the following year. Exemption from disqualification may only be determined by the CCAL board of directors.

At no time will the Crooked Creek Art League (CCAL), Crooked Creek Park or the Irmo Chapin Recreation Commission (ICRC) be responsible for the safety of your artwork. All work hangs at the sole risk of the artist.

Crooked Creek Art League reserves the right to accept or reject works of art not deemed appropriate. Violations of guidelines included in this prospectus will be reviewed by the Exhibit Committee. Remember that you are hanging in a public place with children, so subject matter must be appropriate. By entering, artists agree to the use of images of their artwork in promotional materials, including, but not limited to, social media, the CCAL website, brochures, advertisements and press releases.

Awards Reception: All participating artists are strongly encouraged to attend the Awards Reception as shown in the schedule. Please feel free to invite family, friends and collectors to come to celebrate you and the other artists as well as view the great artwork in the show.

Awards: All awards are determined by the jurors. Award Sponsors do not have input into which pieces receive their awards. Jurors are selected for their experience and expertise and make their selections independently. Instructions provided to jurors state: "In order to provide encouragement and support to as many of our members as possible, we ask that you do not make duplicate awards to Best of Show, or 1st, 2nd & 3rd Place within any division. We recommend that multiple awards to single artwork be avoided to the degree possible." Award amounts, subject to change by vote of the board are:

First place may be awarded if there are 1-10 entries; first and second place for 11-20 entries; and first, second and third place if there are 21 or more entries in that division. If minimums are not met for Amateur or Masters Divisions within a category, divisions will be judged as a single combined grouping with awards prorated between the divisions. Merit Awards are awarded at Juror's discretion if there are fewer than 20 entries in the division..

CCAL reserves the right to add additional awards after the publication of this prospectus as additional sponsorships are received.

About the Jurors:

Lead Juror: ***Marissa Vogl***

www.marissavogl.com

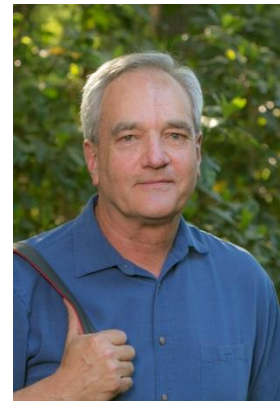

Marissa Vogl is best known for her large-scale abstractions. Born and raised in Montana, she now resides and paints in Charleston, SC. Vogl's work is a response to her observations of life's beauty, most often relating to florals and landscapes. The emotional and energetic response leads to intentional mark-making and exploration of vivid color palettes that create a spontaneous harmony.

She works mostly in oils or acrylics and often begins by painting from life or plein-air references. Her intent is to translate an emotional reaction from her observations into something the viewer can also experience.
