Our Mission

The Crooked Creek Art League (CCAL) was founded in 1995 to encourage and support new and established artists; to educate and encourage each other's work, and to grow the visual arts in our community by offering artists avenues to improve skills, display, and sell art. Members create 2D work in acrylics, mixed media, oils, pastels, pencils, photography, and/or watercolors; and 3D work with ceramics, metal, clay, jewelry, gourds, stained glass and/or wood carvings. CCAL is a 501(c)(3) organization.

We believe bringing art into a community strengthens it in innumerable ways.

This organization is funded in part by the South Carolina Arts Commission which receives support from the National Endowment for the Arts. Additional support in the grant comes from the John and Susan Bennett Memorial Arts Fund of the Coastal Community Foundation of South Carolina.

Community Art Projects

CCAL has partnered with the Town of Chapin to provide art for the community. CCAL artists created large metal sailboats for its inaugural community art project in 2018. A large mural was painted at their home base, Crooked Creek Park in 2019. In 2021, square metal trail markers were painted. Some are installed on the Chapin Nature Trail, and others were auctioned to businesses and residents. The newest project, a seven-foot tall, three-sided mosaic obelisk sculpture was unveiled in 2023. Collectively, these pieces comprise Chapin Art Trail, a self-guided tour of over 30 pieces of art displayed throughout the town. CCAL hopes these artworks serve to inspire and remind both residents and visitors of Chapin's unique beauty.

Public Galleries

We are proud to share our art in various businesses throughout the area. Our members display and sell their art in many public venues on regularly rotating schedules.
